

BEST PRACTICES

1. TITLE: TRAINING ON EFFECTIVE USE OF TECHNOLOGY

During the academic year, the institution strived to bring a considerable change in the use of technology among students. Emphasis was made on the need to upgrade in technology to make the best use of opportunities available in the job market

CONTEXT

Technology upgradation enhances the employment opportunities of rural students. It keeps them updated with scientific and technological developments happening around the world. But the availability of mobile phone itself is big challenge.

PRACTICE

- To make sure all students have access to android phones
- Teach them how to connect to the various online platforms
- To keep the students connected through WhatsApp and google classroom
- An opportunity to improve grammar and communication skills using various online language programmes

EVIDENCE OF SUCCESS

- Students' adaptation to online classes was evident
- Students showed interested in exploring digital skills
- Teaching – learning process was very much a success despite the COVID-19 lockdown
- With improved communication skills, there was also a sizeable increase in the number of students who attained job placement

2. TITLE: EFFICIENT IMPLEMENTATION OF NSS ACTIVITIES

OBJECTIVE

To strive to promote social awareness and responsibility by addressing issues related to education, health, environment and also a holistic development of the student.

CONTEXT

The NSS was launched in 1969 and implemented by the Ministry of Youth Affairs and Sports, Government of India on the birth centenary of Mahatma Gandhi. The NSS emphasizes on the young students' responsibility towards service of the community. The NSS focusses on young students' responsibility towards service of the community.

PRACTICE

REGULAR ACTIVITIES : Students undertake various activities in the college campus and also participate in awareness rallies, social work outside the college hours, social campaigns, blood donation etc.

SPECIAL CAMPS: 150 students across all academic disciplines participated in the Special Camp organized by the NSS officers of the institution for 7 days in Sorancheri, an adopted village in Tiruvallur District of Tamil Nadu.

EVIDENCE OF SUCCESS

- Achieved cleanliness in campus
- Awareness among students about various health & environmental issues
- Students developed willingness to participate in medical camps
- Social responsibility and compassion towards fellow human beings increased
