REPORT ON THE MODEL MAKING COMPETITION ON SMART SOLUTIONS FOR CLEAN AIR

Date: 22nd September 2025
Time: 10:30 A.M.
Venue: Chellammal Arangam

A Model Making Competition on the theme "Smart Solutions for Clean Air" was organized on 22nd September 2025 as part of the Seva Parv initiative under the Environmental Information, Awareness, Capacity Building and Livelihood Programme (EIACP) – PC-RP, Department of Zoology, University of Madras, Guindy Campus, supported by the Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India, New Delhi. The event aimed to promote innovative ideas and environmental consciousness among students through creative model presentations focusing on sustainable air quality solutions.

As part of the MoU signed between Chellammal Women's College, Guindy, and EIACP, the Eco Club and Swachhta Action Plan (SAP) of Chellammal Women's College actively encouraged and guided students to participate in the competition. A total of **64** undergraduate students from Chellammal Women's College participated with great enthusiasm, showcasing models that reflected practical approaches to clean air initiatives and environmental preservation.

The competition provided a valuable platform for students to combine scientific knowledge with creativity to address real-world environmental challenges. Prizes were awarded to the best models, and E-certificates were distributed to all participants in recognition of their contribution.
