ANTI-DRUG CLUB REPORT
JUNE-2026
UMIS ID - I11428**

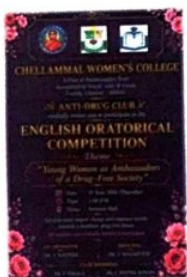

On the occasion of the International Day Against Drug Abuse and Illicit Drug Trafficking, observed on 26 June, the Anti-Drug Club of Chellammal Women's College organized an English Oratorical Competition on 25 June 2026 in the Seminar Hall on the theme, "Young Women as Ambassadors of a Drug-Free Society."

The programme aimed to create awareness among students about the harmful effects of drug abuse and the urgent need to build a healthy, responsible, and drug-free society. It also encouraged young women to become active advocates of social responsibility and positive change. The competition provided a meaningful platform for students to express their views, share ideas, and reflect on the role of youth in preventing substance abuse.

The students participated with great enthusiasm and delivered insightful speeches highlighting the importance of awareness, discipline, self-control, and community support in combating drug addiction. Their presentations emphasized the need for education, family guidance, peer support, and collective action in protecting society from the menace of drugs. The event also helped enhance the participants' confidence, communication skills, critical thinking, and public speaking abilities.

The competition was adjudicated by Dr.V.Mahalakshmi Natchathiram, Committee Member, Associate Professor and Head, Department of Commerce, and Dr.K.Anbarasi, Associate Professor, Department of Mathematics. The judges appreciated the participants for their clarity of thought, expressive delivery, and commitment to the theme. They also offered valuable feedback and encouragement to help the students improve their oratorical skills further.

The event concluded successfully under the guidance of the Principal Dr.V.Malarvizhi and the coordination of Dr.V.Kavitha and the club member Dr.S.Senthilkumari. The programme was well received by the students and served as a significant step in promoting awareness, responsibility, and leadership among young women.
